why...

If it's
not shut
properly,
both the
ventilation
and the
moonlight
will cease
to exist!

That won't
work
for this
one...

I closed off
the windows
so there is
no emergency
exit!

Almost-
ly!?! That
stubborn
old man
stopped
making
welcome
now,
right!?!

Uwah!
Your
sword
broke!

Just
what...
should
I do!?!

I want a big
clear window
that can be
opened up...!
This isn't
something I
can fix with an
amateur job!

I'M NOT/
MAKING/
ANY WEAP-
OOOONS!!

Heh... A new
customer?
What would
you like?

Do you
get it?/
The reason
I stopped
making

is...

*Sit

For
the sake
of the

I'm

she's
crying
right

Although
I haven't
met her
yet...!

The slaughter
device I built
accelerated
our conflict

and the
Princess
got taken

I also

destroying
and throwing
away the

For the
most part...

What a
waste!
If you're
going
to
run

like me to make-

A
window.

What?

I understand! I'll
make it! I'll
make you
something
for the
sake of the
world you
desire!

...I
see...!
I see
...!

A
window.

Ek?

As
long as
I have
this...!

Wow...
Let alone
its degree of
transparency

What a
magnificent
finish!

Ohh...

It seems that
after those events,
he's been training
in order to have
a career change
as a carpenter.

And, it
opens and
closes with
a touch
of magic

Rather
than a
"window"...
it looks
more like a
legendary
weapon...
